KUBS BREAK JINKS IN W.W. GAME; WIN 6 TO 3

BAKER GETS LEAD IN FIRST WHICH OPPONENTS FAIL TO OVERCOME.

BAKER, Ore., June 27.—The Kubs broke their jinx yesterday and, with Sutherland on the slab, won from Walla Walla, 6 to 3. Four runs off Rees, who went wild and then was touched up for some extra base hitting in the first inning, gave the Kubs a lead which the visitors could never overcome. Sutherland weakened a bit in the fifth when Lundstrum and Schmidt placed on hits and Johnson tripled, scoring both runners, but the Kubs came right back at Rees with a brace in the fifth.

Some weird fielding marked the play. Togneri started it in the first by letting Childers' pop drop beside him without an effort. Then Sutherland booted one and made up for it by pitching a splendid game. The Kubs erred frequently but none of the boots counted in the scoring.

The Kubs won in the first after two were out. Rees walked Fuller and Nadeau—the latter purposely after Fuller stole—and then French and Sigby doubled in succession. That made three runs and Sigby came home when Sheely let a throw go to the bleachers.

The Kubs didn't threaten much again until the fifth. Then King, who had just been knocked cold by a collision at the plate, singled and advanced when Johnson dropped Fuller's fly squarely in his hands. Nadeau's sacrifice advanced both runners and then French sent out a sharp drive over short, scoring both runners. French's hitting scored four of the six runs and he scored another himself. The Kubs were dangerous once more—in the eighth. Then Sigby hit and went to third on a throw to the bleachers. Togneri laid down a perfect bunt on a squeeze play but Sigby came in like a snail and was an easy victim.

The Bears had men on bases all through, largely due to loose fielding, but when the game became dangerous the entire team seemed to stiffen and the visitors were blocked by neat fielding. The score:

Walla Walla	AB	R	H	P	O	A	E
Lundstrum, ss	5	0	2	3	2	1	
Childers, 3b	4	0	1	1	4	0	
Schmidt, 2b	5	2	2	1	2	0

Baker	4	0	0	2	0	0	0	0	—6

Summary—Left on bases, Walla Walla 11, Baker 4; two base hits, French, Sigby; three base hits, Johnson; sacrifice hits, Nadeau; stolen bases, Fuller, French; double play, Lundstrum to Sheely; Collins to Fuller; struck out, by Sutherland, 8, Rees 4; bases on balls, off Sutherland, 2, off Rees 2; passed balls, Remmer 1, King 1; umpire, Joe Wilkins; time, 1:50.

BIG BOOSTER CROWD SEES PENDLETON WIN

BUCKS MAKE IT FOUR STRAIGHT GAMES FROM THE YAKIMA BRAVES.

Western Tri-State League Standings.
Pendleton 41 29 586
Walla Walla 38 30 559
Baker 31 37 456
North Yakima 28 42 400

Yesterday's Results.
At Pendleton—Pendleton 5, North Yakima 3.
At Baker—Baker 5, Walla Walla 3.
Before a Booster Day crowd of several hundred people, Pendleton yesterday made it four straight from the trailing Yakimas, the score for the day being 5 to 3. It wasn't exactly an exciting game but it was close and uncertain and the interest of the fans never lagged.

Unhittable pitching was the order of the day. The Bucks had less success in hitting the angles of the angular Mr. Angler than they have had all week. That is to say, they could not fatten their averages but they were able to get blows when blows were needed for runs. Pitcher was less erratic than usual and he blanked the Braves easily in eight of the nine innings. In the other, the third, he suffered a relapse into the occasional form which keeps him out of faster company. He walked three men in a row, filling the bases, and then shot one down the alley which Walters liked to the extent of three bases.

Angler was not given the support that was his due. The Bucks rolled up three right in the first and errors were largely responsible. Krause started the trouble by throwing wild to first on Naughton's grounder and Angler put himself further in a hole by making a belated attempt to catch the advance runner on a bunt. Peterson struck out but Pembroke poked out a two sacker that scored both Naughton and Whitt who had just previously moved up a bit on a double steal. Green's bum peg to first on Lodell's ground ball let Pembroke finish the circuit.

After the Braves had tied the game up in the third, the future held uncertainty until in the fourth, Penny Briggs drove the ball over the fence for the circuit. Briggs also figured in the final score made by the locals. In the sixth, Lodell had driven the ball through Walters' legs and got on. Briggs smashed the ball again for what looked like another homer but it struck the top of the fence and came back. It was good for two bases, however, and advanced Lodell to third. A squeeze play was tried but Curly Coen missed fire on an attempted bunt and Lodell was tagged out. Then Coen, in atonement, clicked out a single that scored Briggs.

Yakima threatened a rally in the ninth with two down. Harrod poked out a safe one to left and Lewis came through with a hit to right. Krause, however, perished on a ground ball. The visitors came nearly not having enough men to finish the game. Greene had been benched in the second for playing indifferent ball, Ford coming in to second and Lewis taking the field. Then Ford disputed one of Russ Hall's ball and strike decisions. Failing to heed a warning, he was given a five plaster and later chased from the game and field. Pitcher Peterson was in civilian clothes in the grandstand so that Ford had to send in Bryant, the Echo boy, to play the field. Berry coming in to second, Echo had sent quite a delegation here in the hopes of seeing the pride of their town pitch and they gave their townsman a big hand whenever he appeared. He didn't get away with any sensational stuff but he accepted his only chance and was robbed out of a

hit because the ball hit the first bag and was stopped.

Take Plenty of Time to Eat.
There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.—Adv.

AMERICANS CAN LEARN THRIFT FROM GERMANY

BERLIN, June 26.—"America can learn much from Europe especially from Germany, in the matter of thrift and economy," said Simon W. Straus, the Chicago banker and president of the American Society for Thrift. Mr. Straus has about completed a tour of France, Italy, Austria and Germany during which he has made a thorough study of European thrift and will make a report to his society and to the United States government of the results of his observations and investigations.

"My investigations in Germany have impressed me with the need for extending the activities of the American Society for Thrift and making it international," said Mr. Straus to the United Press. "We have become prodigal in America and I am here to learn way of thrift, but I find that the German nation is more thrifty than the German individual. Thrift is an anomaly. In America we have taken up the systematic education of the people to greater individual thrift, knowing that without that, our municipal, state and national affairs will not be run on thrift line. One of the purposes of our society was to learn from inquiry in foreign countries, and I have observed and learned much which I hope may be nationally useful in America. The physical condition of the men, the longer and more specialized school system and the co-operative buying and selling, are aspects of German thrift which will repay our study. A definite and systematic effort must be made in America to teach the benefits of the household garden, as well as how to make one, and in doing this learn handicraft which otherwise city boys do not learn. The urban population must get back to the land, and this is the best and quickest way to bring about the change."

Idaho Harvesting Near.
LEWISTON, Idaho, June 26.—North Idaho's harvest season will open next week, according to plans of the ranchers who are seeking men from many parts of the Inland Empire. Conditions have been unusually favorable for the crops.

The recent warm weather has not affected the grain in the slightest degree and every indication points to a much heavier crop than last year. It is estimated that the acreage in the vicinity of Lewiston this year is fully 20 per cent greater than last year.

Aberdeen Postoffice Ranked.
ABERDEEN, Wash., June 27.—Aberdeen will be created a postoffice of the first class July 1, according to an announcement received here. This means that the business handled by the local office during the past fiscal year has amounted to more than \$40,000.

THE WINNING CREW IN YESTERDAY'S BIG RACE

COLUMBIA ROWING CREW.
Bow, H. Naumer; No. 2, A. C. Rowell; No. 3, E. L. Williams; No. 4, V. Sanborn; No. 5, Steadford Pitt; No. 6, Norman Bratton; Stroke, C. G. McCarty; Cox, R. U. Wood.

COLUMBIA CREW WINS WITH PENNSY SECOND
WASHINGTON FINISHES FIFTH—CORNELL IS THIRD AFTER HARD FIGHT.

POUGHKEEPSIE, N. Y., June 27.—In a thrilling four-mile triangular struggle against the California and Cornell, the Columbia University eight-oared crew won by a scant length the premier race of the 20th annual regatta of the intercollegiate rowing association on the Highland course yesterday.

Pennsylvania finished second, defeating Cornell by the length of its shell, with Syracuse, Washington and Wisconsin taking the wash of the leaders in the order named.

The official time of the crews was as follows:
Columbia, 19:37 4-5; Pennsylvania, 19:41; Cornell, 19:44 1-5; Syracuse, 19:59 2-5; Washington, 20:01 3-5; Wisconsin, 20:20.

Final Sport Tells.
Columbia's victory was the result of a desperate and sustained spurt in the final half mile. The Cornell crew, exhausted in trying to keep pace with the victors, faltered and slipped back into third place at the finish. Better fortune attended the efforts of the Cornell junior varsity and freshman eights, each combination in turn winning its race in impressive fashion.

The victory of the Columbia crew after 20 years' effort was extremely popular and last night all Poughkeepsie celebrated the event in uproarious fashion. Not since 1895, when Columbia won the four-mile race, defeating Cornell and Pennsylvania in the initial regatta held on the Hudson river course, have the New York city university oarsmen showed the way to the finish line.

Pennsylvania's Showing Feature.
The real surprise of the regatta, however, was the remarkable showing of Pennsylvania, for Cornell and Columbia were favorites in the wagering. While the Quaker eight was named to row a good race, the possibility of the red and blue winning was dismissed without discussion. Yet the crew coached by Vivian Nickalls, the famous English oarsman and former member of Oxford University eights, sprang a surprise, as did his brother, Guy Nickalls; Yale crew upset tradition and won at New London a week ago.

From the start the Pennsylvanians were a decided factor in the racing, rowing a deliberate but powerful and finished stroke. Throughout the major portion of the contest the Quakers set the pace and refused to be shaken off by the repeated spurts of Columbia and Cornell. It was only in the last quarter mile that Pennsylvania relinquished her lead and it appeared that this was due more to a lack of fighting spirit than any superiority on the part of the winning eight.

HANS WAGNER
This famous swatter of the Pittsburgh team, recently made his 3,000th hit. In his 17 years as professional ballplayer he has never batted lower than 300 at the end of the season. Pop Anson of the old White Sox was the only other player who ever compiled a total of 3,000 hits against big league pitching.

NEW ISSUE RAISED IN ALIEN PROBLEM
CALIFORNIANS MAY BE EXCLUDED FROM PROPERTY RIGHTS IN JAPAN.

WASHINGTON, June 27.—Japan's protests against the California alien law, brought conspicuously before the public again by the publication of the correspondence between the Washington and Tokio governments, was discussed with absorbing interest in official and diplomatic circles.

Secretary Bryan said the Japanese note of June 10 last, which reopened the subject after nearly a year had elapsed since a formal communication had come from Tokio, would be made public with the American reply within a few days.

"One Remedy" Insisted On.
It is known that Japan, abandoning the idea of negotiating a new treaty to guarantee property rights to its subjects, now has asked for a reply to its note of August 25 last, in which the United States was pressed to stop the "obnoxious discrimination" resulting from the California legislation.

"There is but one remedy," this note said, "and the imperial government is unable to escape the conclusion that the duty of applying that remedy devolves solely upon the government of the United States, as the measure complained of, despite the protest lodged by you, has been permitted to go into operation."

Separate Retaliation Suggested.
One phase of the negotiations disclosed in the correspondence which attracted particular interest in official circles was said to suggest the possibility of an issue entirely new in the history of the United States. In Italy in connection with the promise by the Japanese government to grant land ownership to Americans, appeared the words, "reserving for the future, however, the right of maintaining the condition of reciprocity with respect to the separate states."

This, it was pointed out, appeared to be a distinct reservation by the Japanese government of the right to retaliate directly upon the Californians by singling them out among American citizens for exclusion from the right to possess real property in Japan.

Shake Off Your Rheumatism.
Now is the time to get rid of your rheumatism. Try a twenty-five cent bottle of Chamberlain's Liniment and see how quickly your rheumatic pains disappear. Sold by all dealers.—Adv.

COLUMBUS DAY TO BE OBSERVED ON BIG SCALE
OAKLAND, Cal., June 26.—Big plans already are being made for the celebration in Oakland of Columbus day, October 12.

Columbus day has been listed by the California celebrations committee as the distinctive Oakland holiday and this year it will be bigger than ever. One of the new features is to be a huge costume ball, which is to come as the climax to the elaborate program of the day, and the city will be urged to hurry the work on the new \$1,000,000 auditorium so that this ball, which will rival the famous Mardi Gras of New Orleans, may be held there.

The day's festivities will be held on Lake Merritt and in Lakeside Park, which surrounds the big salt water lake. There will be the "Discovery of America in the three caravels of Columbus, the Santa Maria, the Nina and the Pinta on Lake Merritt, the landing to be made on the park shore. There also will be a water pageant on a large scale with the participants in costume, with a long list of water sports and athletics. These will be followed by a literary and musical program appropriate to the day.

Ohio Motorcyclists Meet.
DAYTON, June 26.—Motorcyclists from all sections of Ohio gathered here for the opening of the annual three day convention of the Ohio State Federation of American Motorcyclists. One of the features will be a hill climbing contest at Fort Ancient.

AFTER SUPPER Shoe Specials

Alexander's Ladies' Shoe Dept.

From 6:30 to 9 p. m.

We will place the following on special sale

TAN SNEAKERS, rubber sole and heel, English last, regular \$3.50 and \$4.00 for **\$2.45**
Gun metal and suede oxfords, English last, medium low heel, regular \$4.00 for **\$2.65**
White Nubuck Sneaker Oxfords, regular \$3.50 and \$4.00, after supper special **\$2.45**

We are now prepared to fit you in the patent and dull kid Mary Jane pumps. Five of the newest styles in patent and dull pumps which we are always glad to show.

Don't forget our Wednesday clean-up day. Just 32 pair, in patent, gun metal and tan for next Wednesday at \$1 the pair.

The Alexander Dept. Store

Pendleton's Biggest and Best Department Store.

QUEEN TRIES HAND AT MAKING LACE; WINS PRAISE

MANSFIELD, England, June 26.—King George and Queen Mary tried their hands at lacemaking. They were continuing their tour of the Nottinghamshire district, where it is the principal industry, and it was to the queen that the idea first occurred of seeing herself what it is like to work at a loom. Her majesty showed some cleverness for an entirely inexperienced hand, but the king covered himself with little glory though he was highly complimented.

The suffragette terror was still all-pervading and factory after factory was searched by detectives as a precaution against the presence of any militants, before their majesties would enter.

Flies, Here's Joy for You!

WINSTED, Conn., June 26.—Officers of the Bald Head Club of America met here and arranged for the annual dinner to be held at Hotel Winchester October 29. The club has applications for membership from every state.

London and Paris have asked for copies of the constitution and by-laws.

with a view to organizing similar bodies in Europe.
John Rodemeyer, the Canadian editor who created the Bald Head Club, was elected to be toastmaster at the October banquet. J. Martin Sauter, Roscoe Benjamin and L. T. Stone were elected honorary members of the club.

MOVING MOVIE SHOW FOR CANAL EXPOSITION

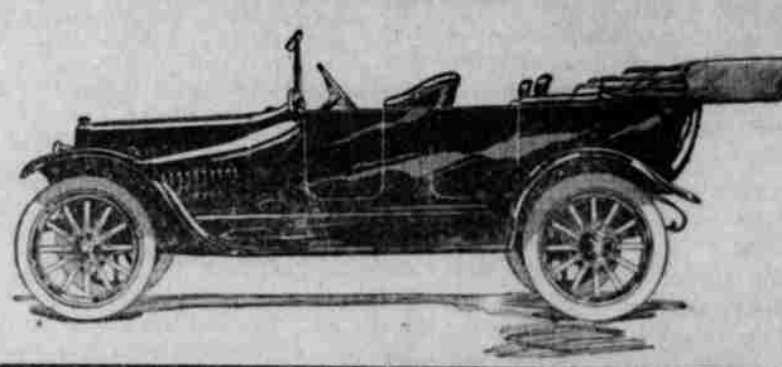

ALTOONA, Pa., June 26.—Take two passenger coaches, stand them side by side on adjoining tracks, knock out the inner side of each, lay a connecting floor and stretch a canvas over the tops of both.
That is a description of a moving movie theater being built at the shops of the Pennsylvania Railroad here for the Panama-Pacific exposition at San Francisco next year. The theater will be appointed and finished as one of the Pennsylvania regulation steel coaches. It will be completed about November and taken to the exposition shortly afterward.
The unique theater will be part of the road's exhibit. In it will be given pictures of scenes along the Pennsylvania lines.

Studebaker

ECONOMICAL LIGHT WEIGHT SIX

\$1700

F. O. B. Pendleton

The manufactured Studebaker SIX gives you quality and value that the assembled "SIX" can never attain.

The one incorporates perfection of alignment and balance, due to Studebaker-manufactured parts, necessarily foreign to the other.

That means elimination of vibration and perfect roadability, in the Studebaker SIX.

Great volume of Studebaker SIX production means manufacturing economies, and resultant quality, that the assembler cannot meet by increased production or lowered prices.

Heat treated steels, manufactured parts in greater proportion than any other car, spell value in the Studebaker SIX greater than in any other car at any price—assembled or manufactured.

Send for the Studebaker Proof Book, describing Studebaker manufacturing methods.

CHILDREN ALL SICK WITH COLD.

COUGHING, FEVERISH, AWAKE ALL NIGHT

Use Pure and Pleasant Dr. King's New Discovery. Relieves the Cough, Loosens the Cold, Promotes Rest and Sleep.

When your family is visited by a cold epidemic and your home seems like a hospital, your children all have colds, cough continually, are feverish and restless at night, sleep little and then not the sound, refreshing sleep children need. You yourself are almost sick and awake most of the night, caring for them. You need Dr. King's New Discovery.

It quiets the children's cough instantly. It is pure and pleasant. Children like it. By relieving the cough promotes sleep and gives you and the children the much needed rest.

Get a bottle of Dr. King's New Discovery from your druggist. He will refund your money if it doesn't give relief.

W. H. Knowles, of Osco, Ill., writes: "We have given Dr. King's New Discovery the most thorough tests for coughs, colds and various bronchial troubles for six years, and have never found it to fail."

"For about three months I had the worst kind of a cough," writes W. P. Rinehart of Asbury, N. J. "It would keep me awake for hours at night. All the medicines I took did not help me till at last I used Dr. King's New Discovery. Three doses gave me the first good night's rest I had in months and further use completely cured me."
